The new school library was officially opened this week. All the school assembled on the field with a number of parents to see the ribbon cut by Mr Busby, Vice Chairman of Somerset County Council. Mrs Hunt has worked hard to create a peaceful area to enjoy reading. A big thank you to the PTA who purchased the new books.

Thank you from Ladybirds to the PTA for their Prayer Books.

This is a first edition of a fortnightly bulletin which I hope will keep you informed of the events that happen in school.

I hope you will find this useful. My aim in time is to get some of the children to help me publish this bulletin.
