Governors' News by Helen Scott

St Joseph's new governing body met just before half term. This year the chair of governors is me, Helen Scott, while our vice – chair and chair of the Finance, Premises and Personal sub-committee is Richard Tully with the Curriculum and Improvement sub-committee being chaired by Mike Weatherburn.

All governors have had their photographs taken so look out for the display which is being mounted in reception to enable you to recognise us more easily.

Over half term the windows on the playground side of the hall have been replaced and this represents the final phases of our school buildings improvements which have been paid for by the diocese. Well done to all the staff and pupils for working round this work over the last three years.

Report from Holly Grainger Yr 6
I went to Germany to take part in a gymnastics competition. We travelled by coach and Euro tunnel, it took almost all day. The food in Germany is very different from what we eat in the UK. At the competition there were 6 different countries taking part I came 15th out of 31 the highest from my gym club in that category
Well done Holly!
